

**TEST CERTIFICATE FOR CARBON/ALLOY STEEL BILLETS FOR RE-ROLLING
INTO STEEL GENERAL/STRUCTURAL PURPOSES.**

It is certified that the material described below fully confirms to IS: 2830: 2012
Chemical Composition tested in accordance with scheme of testing and inspection
contained in BIS certification marks License.

License Serial No. - ES/BIS/2830/7600107011.

PHYSICAL PARAMETERS

- All Physical Properties are as per & within IS 2830:2012 Requirements & Tolerances.
- The material is free from Radioactive Contamination, Lead, Mercury and Surface Defects.

Process Route - EIF-CCM

Q.C.
